This Collective Bargaining Agreement is entered into between the County of Cook (hereinafter referred to as the "County") and Teamsters Local Union #700 (hereinafter referred to as the "Union") with the County and Union known as (the "Parties").

ARTICLE I RECOGNITION

Section 1.1 Representative Unit:

The County recognizes the Union as the sole and exclusive representatives for the purposes of collective bargaining, pursuant to Illinois State Labor Relations Act, 5 Illinois Compiled Statutes 315 et seq., for the unit formerly known as Management of Information Systems which has been restructured and renamed. The bargaining unit now represents employees in three (3) separate Departments. The employee classifications in the new Department of Technology Policy and Planning include: Clerk V, Data Entry Operator III, Administrative Assistant III, Programmer Analyst I, II and III, System Software Programmer III, and Project Leader - Data Systems. The employee classifications in the new Department of Information Technology Solutions and Services include: Administrative Assistant I, III and IV, Clerk V, Computer Operator I, II, III, IV, V, Data Entry Operator III, Data Processing Coordinator, Programmer Analyst I, II, and III, Project Leader-Data System Security Officer II, System Software Programmer III; Telephone Operator III, Clerk V, Administrative Assistant I, Computer Operator I, II, III, IV, and V, Data Processing Coordinator, Administrative Assistant IV, and System Software Programmer III. The employee classifications in the Department of Facilities Management include: Custodial Worker II and III and Security Officers II and III. Excluded from this unit are all supervisory, managerial, confidential employees and any employees who are empowered to perform corrective action as well as those excluded pursuant to Illinois State Labor Relations Board Case Nos. L-RC-08-007 date, November 27, 2007, as amended by State Labor Relations Board cases L-VC-09-002 and L-VC-09-001 dated December 23, 2008.

Section 1.2 Union Membership:

The County does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this section, an employee shall be considered to be a member of the Union if the employee tenders the dues form to the County required as a condition of membership.

The County will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement.

Section 1.3 Check off:

With respect to any employee from whom the County receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the County, the County shall deduct from the wages of the employee the dues required as a condition of membership in the Union, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set forth by the Union, and the County shall continue to retain a service charge of up to five cents (5¢) for making such deduction.

Section 1.4 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Article. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

**ARTICLE II
COUNTY AUTHORITY**

Section 2.1 County Rights:

The Unions recognize that the County has the full authority and responsibility for directing its operations and determining policy. The County reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply reasonable rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the County shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by law.

Section 2.2 County Obligation:

The Unions recognize that this Agreement does not empower the County to do anything that it is prohibited from doing by law.

Section 2.3 Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where some supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the employer.

If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grievable at the second step of the grievance procedure.

Section 2.4 Section 2.4 Union and County Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and County agree to meet at least every three (3) months through designated representatives at the request of either party and at mutually agreed upon times. The location of this meeting will be at the Administrative Office and will be charred alternately by either party. The Union and County shall each designate not more than five (5) representatives to a labor-management committee for this purpose.

Arrangements for such meetings shall be made in advance and a written agenda of the matters to be discussed at the meeting shall be exchanged by the parties five (5) days prior to the date of the meeting. Matters taken up in these matters shall be confined to those included in the agenda.

Upon written notice from the Union to County management employees/stewards will be allowed paid time off to attend Union negotiation sessions and labor management meetings established by this agreement during working hours.

Employees may not be excused from employment for any of the above-mentioned purposes if such absence would hinder the efficient operation of their department.

ARTICLE III HOURS OF WORK AND OVERTIME

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Compensatory Time and/or Overtime Compensation:

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency condition which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.\
- B. Employees who are required to work overtime will be compensated in accordance with the Fair Labor Standards Act.
- C. Each department shall record hours worked for each employee eligible for overtime payments. Department Heads are responsible for the correct computation of straight time and overtime hours due an employee.
- D. Hours in a pay status, with the exception of sick time vacation and personal days, and time serving jury duty shall count as time worked in computing overtime.

Section 3.3 Overtime Work:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them but in no case will an employee be required to work more than sixteen (16) consecutive hours, except in an emergency situation.

The County will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs and who normally and customarily perform the work involved, except that in cases of emergency the County may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit.

Section 3.4 Regular Work Periods:

The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time. The length of paid lunch periods and breaks presently granted by each department shall remain in effect.

The County will provide all employees two fifteen (15) minute breaks in the scheduled work day and a one (!) hour lunch period. Accommodation for adjusted work schedules must be previously approved.

ARTICLE IV SENIORITY

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be six (6) months. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any just cause and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of his/her most recent hire.

Section 4.2 Definition of Seniority:

For purposes of this Article, seniority is defined as an employee's length of most recent continuous employment with Cook County on his/her last hiring date as a full-time employee and as a regular part-time employee entitled to benefits pursuant to Article V, Section 5.4. Seniority for such regular part-time employees shall be prorated.

Section 4.3 Reduction in Work Force, Transfer, Layoff and Recall:

In case of transfer, employees shall have first preference in order of their seniority, as hereinafter provided, provided that the employee has the ability and fitness to perform the required work. In cases of layoff or recall for a period in excess of five (5) calendar days, employees shall be laid off in inverse order of seniority within job classification and recalled in order of seniority within job classification, provided, however, that the County may retain a less senior employee if there is no employee with greater seniority who has the ability and fitness to perform the required work. The employer shall not hire any new employees prior to the recall of current employees who have been laid off. The affected employees and the local Union shall be given notice thereof at least (2) two weeks prior to the effective date.

Employees laid off as a result of this procedure shall be subject to two (2) year recall rights in order of seniority before new employees are hired in the classification held by them at the time of the reduction in force.

Section 4.4 Termination of Seniority:

An employee's seniority and employment relationship with the County shall terminate upon the occurrence of any of the following:

- (a) Resignation or retirement;
- (b) Discharge for just cause;
- (c) Absence for three (3) consecutive workdays without notification to the Department Head or a designee during such period of the reason for the absence, unless the employee has an explanation acceptable to the County for not furnishing such notification;
- (d) Failure to report to work at the termination of a leave of absence or vacation, unless the employee has an explanation acceptable to the County for such failure to report for work;
- (e) Absence from work because of layoff or any other reason for six (6) months in the case of an employee with less than one (1) year of service when the absence began, or twelve (12) months in the case of all other employees, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;
- (f) Failure to report for work upon recall from layoff within ten (10) work days after notice to report for work is sent by registered or certified mail or by telegram, to the employee's last address on file with the Personnel Department of the County;

- (g) Engaging in gainful employment while on an authorized leave of absence, unless permission to engage in such employment was granted in advance by the County in writing.

Section 4.5 Seniority List:

As soon as possible, the County will furnish the Union a list showing the name, number, address, classification and last hiring date of each employee, and whether the employee is entitled to seniority or not. The County shall post a similar list without employee addresses. Within thirty (30) calendar days after the date of posting, an employee must notify the County of any error in his/her last hiring date as it appears on that list or it will be considered correct and binding on the employee and the Union from that time forth and forever. The County will furnish the Union monthly reports of any changes to such list, and shall furnish a revised list every six (6) months. After furnishing any such list, an employee must notify the County of any error within ten (10) calendar days thereafter, or the information so furnished will be considered correct and binding on the employee and the Union until a subsequent list is furnished by the County as provided herein provided that, no changes in the hiring dates furnished in the original list will be permitted.

ARTICLE V RATES OF PAY

Section 5.1 Job Classifications:

Employees in the job classification set forth in Appendix A to this Agreement shall receive the monthly salary provided for their respective grade and length of service in the job classification. Employees will be increased to the appropriate step upon completion of the required length of service in the classification.

The salary grades and steps applicable to this bargaining unit shall be increased as follows during term of this agreement:

- (a) effective upon ratification by the Cook County Board of Commissioners, all bargaining unit members in active status shall receive a one-time \$2,000 payment; and

- (d) effective the first full pay period on or after June 1, 2021, the pay rates for all job classifications shall be increased by 1.50%; and
- (e) effective the first full pay period on or after June 1, 2022, the pay rates for all job classifications shall be increased by 2.50%; and

- (h) effective the first full pay period on or after June 1, 2024, the pay rates for all job classifications shall be increased by 2.00%; and

Section 5.2 Classification and Grade Change:

If an employee is promoted, reclassified, demoted or transferred into another classification through the application of this Agreement, the following rules shall apply:

A. Promotions:

An employee who is promoted to a job in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least two (2) steps above the salary received at the time the promotion is made, provided that:

1. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
2. The new salary is not below the first step established for the grade to which the employee is promoted.

If the new classification represents a promotion from a classification outside the represented unit to a classification within the represented unit, the employee shall be placed in the lowest step in the progression schedule for the new classification which will provide the employee an increase in pay. In all cases of promotion, the effective date will set a new anniversary date for the purposes of the salary schedule only.

B. Reclassifications:

1. An employee whose job is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date.

If the salary rate received immediately prior to reclassification is less than the last step rate of the lower classification, the employee shall be entitled to further step advancement.

2. An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade which provides an increase one (1) step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

C. Demotions:

The following shall apply to demotions from one grade to another:

1. An employee performing the duties of a job continuously and demoted to a job in a lower salary grade, shall have the salary adjusted in the new job to the same step of the new salary grade as was received in the salary grade of the job from which demoted.
2. An employee promoted to a job in a higher salary grade and subsequently demoted to a job in a lower salary grade, shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted.

D. Transfers:

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee had been receiving at the time of transfer. Such appointment shall not set a new anniversary date.

Section 5.3 Promotion and Assignment:

Effective upon ratification, the Employer shall be under no obligation to post notice(s) of vacant positions on any bulletin boards. The County shall post vacancies on the Cook County computerized application system (currently: TALEO).

Section 5.4 Newly Certified Positions:

During the term of this Agreement, the County may establish new and changed job classifications and change the duties of existing job classifications, provided that a major alteration of the classification structure shall not be made. In the event, a new classification is placed in the bargaining unit for any reason, the County and the Union agree to meet and bargain the terms and conditions of employment for that new classification, including rates of pay, work rules, etc., within thirty (30) days of their inclusion in the bargaining unit. The County may put the new and changed job classification or duties into effect after timely notice to the Union and discuss and set terms and conditions of employment, including rates of pay with the Union, using the duties and responsibilities, qualifications and grade levels of the classifications in Appendix A as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the County may put a rate into effect; and the Union, thereafter, may submit any dispute to the grievance procedure.

ARTICLE VII VACATIONS

Section 7.1 Vacation Leave:

- A. All bargaining unit employees, who have completed one year of service with Cook County, including service mentioned in paragraph D, shall be granted vacation leave with pay for periods as follows:

<u>Anniversary of Employment</u>	<u>Days of Vacation*</u>	<u>Maximum Accumulation</u>

A month of service is one in which an employee is in a pay status for at least eleven (11) working days in a month.
- C. Employees may use only such vacation leave as has been earned and accrued provided, however, that five (5) working days of the initial vacation allowance may be allowed after the first six (6) months of service. The heads of the County offices, departments, or institutions may establish the time when the vacation shall be taken. However, employees shall be allowed to take five (5) days of vacation in between designated days off.
- D. Any employee of the County of Cook who has rendered continuous service to the City of Chicago, the Chicago Park District, the Forest Preserve District, the Metropolitan Water Reclamation District of Greater Chicago and/or the Chicago Board of Education shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as employees of the County for vacation credit only. All discharges and resignations not followed by reinstatement within one (1) year shall interrupt continuous service, and shall result in the loss of all prior service credit. Credit for such prior service shall be established by filing, in the Office of the Comptroller of Cook County, a certificate of such prior service from such former place or places of employment.

Section 7.2 Vacation Preference and Scheduling:

Insofar as practicable, vacations will be granted to meet the requests of employees. Vacation periods shall be allotted among employees on a first requested - first granted basis. Where two or more employees in the same department performing the same job request vacation on the same day for the same calendar period and all the employees cannot be released at the same time, then the vacation requests shall be granted based on business needs or seniority if no business need exist.

**ARTICLE VIII
WELFARE BENEFITS**

Section 8.1 Hospitalization Insurance, Employee Contributions:

- A. The County agrees to employee and dependent health benefits in accordance with Appendix C.
- B. Employee contributions for health insurance shall be in accordance with Appendix C.

All rules and procedures governing the calculation and collection of such contributions shall be established by the County's Department of Risk Management. All employee contributions for Health Insurance shall be made on a pre-tax basis.

Section 8.2 Sick Leave:

- A. All monthly salaried employees, other than seasonal employees, shall be granted sick leave with pay at the rate of one (1) working day for each month of service. Accruals will be carried out in accordance with the bi-weekly payroll system. Employees must be in a pay status for a minimum of 5 days in a pay period to accrue time in that period. Accrued sick leave will carry over if employees change offices or departments within the County as long as there is no break in service longer than thirty (30) days.

All individuals employed on a part-time Work schedule of twenty (20) hours per week or more shall be granted sick leave with pay proportionate to the time worked per month.

- B. Sick leave may be accumulated to equal, but at no time to exceed, one hundred (100) working days, at the rate of twelve (12) working days per year. Employees who have accumulated more than one hundred (100) sick days as of the ratification of this

Agreement, shall not accrue any additional sick days until the accumulated total is under one hundred (100) sick days. Records of sick leave credit and use shall be maintained by each office, department, or institution. Severance of employment terminates all rights for the compensation hereunder. Amount of leave accumulated at the time when any sick leave begins shall be available in full, and additional leave shall continue to accrue while an employee is using that already accumulated.

- C. Sick leave may be used for illness, disability incidental to pregnancy, or non-job-related injury to the employee; appointments with physicians, dentists, or other recognized practitioners; or for serious illness, disability, or injury, in the immediate family of the employee. After five (5) consecutive work days of absence due to illness, employees shall submit to their Department Head a doctor's certificate as proof of illness. Accordingly, sick leave shall not be used as additional vacation leave. Sick leave may be used as maternity or paternity leave by employees.
- D. An employee who has been off duty for five (5) consecutive days or more for any health reason may be required to undergo examination by the County's physician before returning to work.

For health-related absences of less than five (5) consecutive days, a doctor's statement or proof of illness will not be required except in individual instances where the facility has sufficient reason to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health-related absence, examination by a facility physician may be required to make sure that the employee is physically fit for return to work.

- E. If, in the opinion of the head of the office, department or institution, the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine his/her vacation, sick leave and personal days.
- F. The employee may apply for disability under the rules and regulations established by the Retirement Board.

Section 8.3 Disability Benefits:

Employees incurring any occupational illness or injury will be covered by Workers Compensation insurance benefits. Employees injured or sustaining occupational disease on duty, who are off work as result thereof shall be paid Total Temporary Disability Benefits pursuant to the Workers' Compensation Act. Duty disability and ordinary disability benefits also will be paid to employees who are participants in the County Employee Pension Plan. Duty disability benefits are paid to the employee by the Retirement Board when the employee is disabled while performing work duties. Benefits amount to seventy-five percent (75%) of the employee's salary at the time of injury, and begin the day after the date the salary stops. Ordinary disability occurs when a person becomes disabled due to any cause, other than injury on the job.
